

## ❧ Viewing Party! ❧

Please consider inviting your friends over for a "Viewing Party"  
Watch the show on EWTN and have a fun evening together!

### Recipe for Your Own *Catholic View* Party:

- Invite several of your close friends and women in your local Bible study or prayer group over for a gathering to watch the show.
- Create a Marian theme by starting with a statue of Our Lady as the center piece. The show's official Marian icon is EWTN's "Madonna of the Kitchen," which you can order for your own home from the online EWTN Religious Catalogue at: [www.EWTNReligiousCatalogue.com](http://www.EWTNReligiousCatalogue.com)!
- Buy blue party ware for snacks - blue in honor of Our Blessed Mother.
- Open the gathering with a Hail Mary to pray that women will be inspired by the message of the show.
- Watch the show together at its original air time or DVR the show to watch later that evening or week.
- After the show, have a discussion about the program and what you and your guests would like to see in future programs.
